AnyWARE Inc. Names Susan Matheson as Sales Director

Austin, Texas, May 15, 2006 — AnyWARE Inc., an Austin-based telecommunications integrator, has named Susan E. Matheson as the company's new Sales Director.

Matheson will lead and implement AnyWARE's new sales and marketing strategies. Her telecommunications experience, spanning 17 years, includes business development, client management and technical support.

"Susan understands how to leverage leading IP technologies to build more streamlined, cost-effective communications systems for our clients," said Gary Lubbering, Vice President of Business Development, AnyWARE. "Susan's sales, management and technical expertise adds a new dimension to our team."

Prior to joining AnyWARE, Matheson was a Business Manager with AT&T Signature Client Group. Her focus included working with leading companies to align business drivers with key voice and data network strategies. The AT&T veteran also was a manager with AT&T's Global Markets Group.

Matheson received her bachelor's degree from Michigan State University and a master's degree in business administration from North Central College, Naperville, Illinois.

About AnyWARE Inc.

AnyWARE offers customized telecommunications services for organizations relocating, expanding or seeking to upgrade to a converged IP voice and data network. Providing organizations with an alternative to "a la carte" services, AnyWARE integrates both telecommunications components and services to create cost-effective and dynamic solutions.

AnyWARE is HUB certified (Historically Underutilized Business) and a member of the Women's Business Enterprise National Council.
